VI. NEW BUSINESS- FUNDING RE-ALLOCATION
Kennesaw Society of Black Engineers-Khalil Lawal
NSBE FRCs provide your organization with the opportunity to source for candidates on a local level and help to achieve your fall recruitment needs. Combining education, networking and job opportunities, FRCs bring NSBE to its members' backyards, and gives YOU the chance to recruit Black engineers from your regional communities. Each FRC includes a Career Fair which allows organizations to recruit the best and brightest STEM and engineering talent. These unique, region-targeted events are the perfect place to match qualified candidates to your open positions and internships on a national level, as well as at your regional and district
offices. They allow students to find local job opportunities and are ideal for local employers looking to recruit top talent.

Date-November 5-8, 2020
$350 reimbursement

Kennesaw Society of Black Engineers-Khalil Lawal
NSBE National Conventions provide our organization with the opportunity to source for candidates on a national level and help to achieve our fall hire initiative mission. Combining education, networking and job opportunities, The National Conventions brings job opportunities to one central location, inspiring great change and success. Each National Convention includes a Career Fair which allows organizations to recruit the best and brightest STEM and engineering talent. These unique, region-targeted events are the perfect place to match qualified candidates to open positions and internships on a national level, as well as at your regional and district offices. They allow students to find local job opportunities and are ideal for local employers looking to recruit top talent. $2,925.00 total for all of the participant registrations. This amount was derived based on an estimated attendance of 15 members assuming that they will purchase a “late” registration ticket.

Virtual Conference
April 5-9, 2021
$2,925.00

SABAC Protocol Manual Amendment Proposal
Submitted request for an added Amendment Proposal to the SABAC Protocol Manual
